ATTACHMENT A

The below is the property to be searched as described in paragraph 3 of the Affidavit:

1. Samsung Galaxy S10+ Cell Phone, Model SM-G975U, S/N R58M90FVGAD, IMEI 351751104454098 sealed in an FBI Evidence bag, Barcode E6842107 (evidence item 1B8). This Device is currently located in evidence at FBI Albuquerque, Gallup Resident Agency, 3200 U.S. Rte 66, Gallup, New Mexico 87301.

This warrant authorizes the forensic examination of the device for the purpose of identifying the electronically stored information described in Attachment B.

ATTACHMENT B

1. All records and information on the Device described in Attachment A that relate to violations of 18 U.S.C. § 922(g)(1) and 18 U.S.C. § 113(a)(4) from January 1, 2021 to present to include:

- a. All visual depictions (including images, videos, negatives, still photos, video tapes, artists drawings, slides and any type of computer formatted file) which depict weapons or ammunition as defined in 18 U.S.C. § 922(g)(1);
- b. Correspondence pertaining to the possession of weapons or ammunition as defined in 18 U.S.C. § 922(g)(1);
- c. Correspondence related to the assault of JANE DOE 1.
- f. All evidence related to off-site storage of electronic data, such as cloud-based servers, including usernames, passwords, account information and access logs;
- g. Records of Internet activity, including firewall logs, caches, browser history and cookies, “bookmarked” or “favorite” web pages, search terms that the user entered into any Internet search engine, and records of user-typed web addresses;
- h. Evidence of user attribution showing who used or owned the Device at the time the things described in this warrant were created, edited, or deleted, such as logs, phonebooks, saved usernames and passwords, documents, and browsing history;
- i. GPS location history

As used above, the terms “records” and “information” include all of the foregoing items of evidence in whatever form and by whatever means they may have been created or stored,

including any form of computer or electronic storage (such as flash memory or other media that can store data) and any photographic form.

This warrant authorizes a review of electronic storage media and electronically stored information seized or copied pursuant to this warrant in order to locate evidence, fruits, and instrumentalities described in this warrant. The review of this electronic data may be conducted by any government personnel assisting in the investigation, who may include, in addition to law enforcement officers and agents, attorneys for the government, attorney support staff, and technical experts. Pursuant to this warrant, the FBI may deliver a complete copy of the seized or copied electronic data to the custody and control of attorneys for the government and their support staff for their independent review.
